

**Department of Employment, Economic Development and Innovation
Annual Report 2009-10**

Addendum

The following paragraphs are to be included on page 61 following Table 8. *DEEDI workforce at a glance*.

“Communication of government services is essential to keep the community informed on matters such as new laws affecting Queensland, innovation, employment initiatives, investments and economic development opportunities, and to engage the community in dialogue with government.

As at 30 June 2010, DEEDI employed 52 FTEs whose functions relate to media and public relations.”

It is noted that this information has previously been reported in the public arena.
